HUSKY
BILLBOARDS

let's go digital.

ABOUT US

DIGITAL ADVERTISING SOLUTIONS

Husky Billboards spawned naturally from our parent company, Husky Digital when we saw an opening in the market and as a creative agency.

With a broad range of applications, Husky Billboards can be used for residential, commercial and retail use.

ADVERTISE WITH US

Showcase your 15 second video ads to our wide network of digital displays across the country. With options to suit every budget starting at \$10/day per site, we're changing the game and making digital display advertising affordable for local businesses.

- 20 ad slots per site
- Each ad repeated every 5 minutes
- Basic video editing included
- Short or long term campaigns
- Bulk buy discounts
- Highly effective and traceable target marketing

ADVERTISE FOR US

Generate extra revenue by displaying one of our units at your high traffic store. With attractive remunerations on offer, start generating a passive income stream, simply from showcasing ads from local, non-competitive businesses in a stylish, hassle free way.

- Earn 10% commission per ad (20 slots per unit)
- \$560/month potential earning
- Discounted pricing for your own ads
- No maintenance or servicing costs
- 5 year contract with first right of renewal
